

Twinning Agreement

Acting on the clause from Junior Chamber Creed,
"...The brotherhood of man transcends the sovereignty of nations..."
we pledge to build fraternal ties and international goodwill by overcoming national, cultural,
and linguistic barriers.

The objective of this agreement is to exchange views and experiences so that we can offer
our members, and our communities, the benefit of international collaboration, as we work
toward the shared goals of developing leaders and fostering global understanding.

We are here today to witness the signing of this Twinning Agreement
